

RAIN BARREL ORDER FORM

Thank you for choosing to protect your watershed through the River des Peres Watershed Coalition Rain Barrel Initiative. The funds raised from your barrel purchase will go towards the improvement of the River des Peres and its tributaries.

Name: _____ Date: _____

Address: _____ Zip: _____

E-mail: _____ Phone: _____

Stream Team #: _____ (\$10 discount per barrel to Stream Team members)

I would like to be added to the RdPWC e-mail list to receive a seasonal newsletter and event notices.

We would like to map the locations of rain barrels, which will allow us to calculate the cumulative effect of the Rain Barrel Initiative on the River des Peres Watershed. Our rain barrel mapping will only show the general location of rain barrels; it will not include your name, address, or contact information.

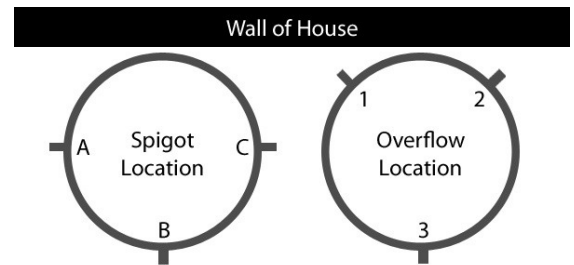

No, please don't show the general location of my rain barrel.

Barrel Layout

Please use the chart to the right to identify your preference for the locations for the spigot and overflow on your barrel.

You will want to direct your overflow in the same direction of your current downspout. For example, if your downspout is on the left or your barrel you would pick overflow location 1.

The spigot location should allow for the best access to planting areas.

| Item | Layout | # | Unit Price | Total |
|--|--------------------------------------|---|------------|-------|
| Assembled barrel White 55-gallon barrel with filtered inlet, overflow w/hose, and 3/4" spigot that fits a normal garden hose | SPIGOT A B C OVERFLOW 1 2 3 | | \$60.00 | |
| Flexible Downspout Extender This is the easiest way to connect a rain barrel to a downspout Note downspout size: 4"x3" _____ OR 3"x2" _____ | | | \$12.00 | |
| Grand Total | | | | |

Please make checks payable to "River des Peres Watershed Coalition" ("Rain Barrel" in the memo line)

Return this form, with check, to: The Green Center
River des Peres Watershed Coalition
8025 Blackberry Ave.
St. Louis, MO 63130

or go to www.riverdesperes.org and click on "Rain Barrel Orders"(with payment due on barrel pickup)

Once your order has been received, we will contact you to arrange a time for you to pick up your rain barrel. If you have questions, please contact us at (314)680-2575 or riverdesperes@yahoo.com.

The River des Peres Watershed Coalition is not liable for damages or injuries incurred through improper installation and use of rain barrels. Refer to the Rain Barrel Initiative Installation Guide for instructions on how to safely install your rain barrel.
