

Connecting People with Nature
through Science and the Arts

The Green Center's Nature Play Programs- Spring 2017

"Nature play" programs reconnect children to nature and offer them experiences to explore, discover and interact with the natural environment. Connecting children to nature has beneficial effects on a child's health, development and well being. Sign up your child for one or all of these programs!

Spring Break

Wednesday, March 29 (ages *4-9)

Join our spring break adventure as we travel to different habitats and discover what lives in them. Collect souvenirs along the way!

Green Thumbs Up

Wednesday, April 5 (ages *4-9)

It's never too early to discover a green thumb for planting! Explore our greenhouse, learn how plants grow and plant your own seeds.

It's A Small World

Wednesday, April 12 (ages *4-9)

We will explore a forest habitat and discover what is hidden among the logs and leaves.

Time: 4:00-5:00pm

Cost: \$8 student per program

Location: The Green Center
8025 Blackberry Ave
University City, MO 63130

Picnic Time!

Wednesday, April 19 (ages *4-9)

Picnics are a great way to spend time in nature! Enjoy a spring afternoon picnic with a special treat you will help make!

Jr. Naturalist

Wednesday, April 26 (ages *4-9)

We will hike to find spring wildflowers and create a nature journal to record what we discover.

Nature Mobile

Wednesday, May 03 (ages *4-9)

Hike our trails to collect natural items to create your own nature mobile.

**Payment must be received in advance of the registered class.
Pre-registration is required for each program!**
