

Connecting People with Nature
through Science and the Arts

The Green Center's "Nature Play" Programs

Start the *NEW YEAR* by having your child join our Nature Play programs!

"Nature play" programs reconnect children to nature and offer them experiences to explore, discover and interact with the natural environment. Connecting children to nature has beneficial effects on a child's health, development and well being. Sign up your child for these outdoor programs today!

2018 Winter Programs

Wednesday, January 31 (ages 4-9): Blue Moon Hike

What are some ways nature is telling us it is winter? Hike outdoors under the blue moon to look for signs of winter.

Wednesday, February 7 (ages 4-9): A Winter Tale

Embark on an "Owl Moon" winter tale adventure. Students will also create a watercolor painting inspired by the story.

Wednesday, February 14 (ages 4-9): ♥ Find Love in the Outdoors ♥

Valentine's Day is full of love in nature, too! Learn to identify different animals and match them to their mate. We will also decorate cards out of items that we find in nature.

Wednesday, February 21 (ages 4-9): Snowed In? Let's Cook!

Join us in making a special treat for those snowy days of winter. We will also explore the outdoors to investigate what animals are eating for their winter treats.

Wednesday, February 28 (ages 4-9): Incredible Edible Birdfeeder

Design your own bird feeder to attract birds to your home! Learn about the type of birds that may visit you and what they eat.

Time: 4:00-5:00pm

Cost: \$8 per student/ program

Location: The Green Center, 8025 Blackberry Ave, St. Louis, MO 63130

Payment must be received in advance of the registered class.

Pre-registration is required for each program!

Programs will occur indoors & outdoors. Please dress children appropriately for the weather.
