

COVID-19 Announcement

Effective Monday, March 16, 2020, The Green Center will close to the public through March 31. We feel this decision is in the best interest of our community and visitors and to support community efforts to do so. The Green Center strives to be a safe environment for all.

We will continue to monitor the situation and will discuss next steps and a possible reopen date at the end of March.

Our staff will still be at The Green Center on a limited basis during the close, Monday through Friday, to answer any questions that the public might have, as well as continue to work on and improve our services and programs.

You can contact us by email or phone (314) 725-8314x100

Our grounds will remain accessible and we encourage guests and visitors to spend time outdoors while distancing themselves from social gatherings.

Program participants who have paid for programs in the month of March can exchange them for a full refund by contacting The Green Center, or they can also donate the value to The Green Center and receive a tax donation receipt. When possible, we hope to reschedule upcoming programs and events for a later date.

We appreciate the understanding of the community and look forward to welcoming everyone back to The Green Center soon.

Please continue to visit our website for updated information.
