

The Green Center's "Nature Play" Programs

"Nature play" programs reconnect children to nature and offer them experiences to explore, discover and interact with the natural environment. Connecting children to nature has beneficial effects on a child's health, development and well being. Sign up your child for these engaging outdoor programs!

2018 Fall Programs

Get Your Vitamin N!

Tuesday, October 9

Soak up some Vitamin N (Nature) while you breathe in the cool fall air and explore our outdoor spaces. We will be collecting fall rubbings to design a collage.

Leaf Art

Tuesday, October 16

Learn about trees and collect leaves in different shapes, sizes and colors. We will use these leaves to create a stained glass leaf-of-art!

Prairie Play

Tuesday, October 30

Spend the afternoon investigating our prairie and learning about what is hidden amongst the grasses and flowers.

Cookin' With Pumpkin

Tuesday, November 6

It is pumpkin time! Learn how to make a tasty pumpkin treat and discover (and taste!) what is growing in our fall gardens.
