

## The Green Center's Nature Play Programs- FALL 2023

"Nature play" programs reconnect children to nature and offer them experiences to explore, discover and interact with the natural environment. Connecting children to nature has beneficial effects on a child's health, development and well being. Sign up your child for these engaging outdoor programs!

### Natural Autumn Mobile

**Tuesday, October 3**

*Fall has arrived! Breathe in the cooler air while going on a hike to collect fall items to create a mobile to take home.*

### Prairie Play

**Tuesday, October 10**

*Spend the afternoon investigating a tall grass prairie habitat and learn what is hidden amongst the grasses and flowers. Create "prairie art" to take home!*

### Halloween Story Stones

**Tuesday, October 24**

*Using the sights and sounds of Halloween, students will paint their own story stones to take home to decorate for the holiday season.*

### Story Time with "Leaf Man"

**Tuesday, November 7**

*Listen to the story of "Leaf Man" and go on a leaf collection adventure to design your own animal creatures to take home.*

**Ages: 4-10 years old**
