

The Green Center's Nature Play Programs- FALL 2024

"Nature play" programs reconnect children to nature and offer them experiences to explore, discover and interact with the natural environment. Connecting children to nature has beneficial effects on a child's health, development and well being. Sign up your child for one or more of these engaging outdoor programs!

STEMKids Scavenger Hunt!

Tuesday, October 1

Bring Fall into focus using our portable microscopes! Students will become curious scientists as they take part in a scavenger hunt looking for the micro part of nature!

Nature's Crayons

Tuesday, October 8

Discover the many colors in nature as we explore our gardens looking for "crayons" to create a fall landscape.

Herb Garden Sensory Play

Tuesday, October 22

Fall in love with herbs as you use all of your senses to explore our herb garden. The herbs will be used to create a piece of art to take home, too!

Halloween Story Stones

Tuesday, October 29

Students will paint their own story stones to take home to decorate for the holiday season.

Story Time with "Leaf Man"

Tuesday, November 5

Listen to the story of "Leaf Man" and go on a leaf collection adventure to design your own animal creatures to take home.
