

Connecting People with Nature
through Science and the Arts

The Green Center's Nature Play Programs- Spring 2020

"Nature play" programs reconnect children to nature and offer them experiences to explore, discover and interact with the natural environment. Connecting children to nature has beneficial effects on a child's health, development and well being. Sign up your child for 1, 2, 3 OR all 4 of these programs!

Nature Mobile

Wednesday, April 1 (ages *4-9)

Hike our trails to collect natural items to create your own nature mobile!

Green Thumbs Up

Wednesday, April 08 (ages *4-9)

It's never too early to discover a green thumb for planting! Learn how plants grow and plant your own mini garden to take home.

Using Your Senses Outdoors

Wednesday, April 15 (ages *4-9)

Learn how to use your five senses in the outdoors by exploring a variety of different habitats. Taste from our herb garden, too!

EARTH DAY Jr. Naturalist!

Wednesday, April 22 (ages *4-9)

We will hike to find spring wildflowers and create an Earth Day nature journal to record what we discover.

Time: 4:00-5:00pm

Cost: \$8 student per program

Location: The Green Center
8025 Blackberry Ave
University City, MO 63130

To register for a class, contact:

Kathleen

314-725-8314 ext. 105

classes@thegreencenter.org

Pre-registration must be received in advance of the registered class.
Programs will occur indoors & outdoors. Please dress children appropriately for the weather.
