

Connecting People with Nature
through Science and the Arts

The Green Center's Nature Play Programs: Spring 2022

"Nature play" programs reconnect children to nature and offer them experiences to explore, discover and interact with the natural environment. Connecting children to nature has beneficial effects on a child's health, development and well being. Sign up your child for one or all of these programs!

Green Thumbs Up

Tuesday, April 5 (ages 4-10)

*It's never too early to discover a green thumb for planting!
Learn how plants grow and plant your own seeds to take home.*

Trail Trekking

Tuesday, April 12 (ages 4-10)

*Hike our forest trail to discover what belongs in the forest and what does not.
Use your observation skills to complete the trek!*

EARTH DAY: Speak for the Trees!

Tuesday, April 19 (ages 4-10)

Find out the importance of trees by reading "The Lorax" by Dr. Seuss and discover the different kinds of trees around the Center.

Using Your Senses Outdoors

Tuesday, April 26 (ages 4-10)

Learn how to use your five senses in the outdoors. Taste from our herb garden, too!

Insect Safari

Tuesday, May 03 (ages 4-10)

Students will use investigation tools to go on a "safari" for insects in our outdoor spaces! And will create an insect to take home.

Time: 4:00-5:00pm

Cost: \$8 per student/program

Location: The Green Center, 8025 Blackberry Avenue, St. Louis, MO 63130

Pre-registration is required, programming takes place indoors & outdoors.
