

Connecting People with Nature
through Science and the Arts

The Green Center's "Nature Play" Programs

Start the *NEW YEAR* by having your child join our Nature Play programs!

"Nature play" programs reconnect children to nature and offer them experiences to explore, discover and interact with the natural environment. Connecting children to nature has beneficial effects on a child's health, development and well being. Sign up your child for these outdoor programs today!

2019 Winter Programs

Tuesday, February 5 (ages 4-9): Jr. Naturalist

Become a naturalist by uncovering the secrets of the outdoors during the winter season. What can you find in the trees? Hidden among the prairie grasses? Under rotting logs? Develop skills to use anywhere outdoors!

Tuesday, February 12 (ages 4-9): Making Tracks

Winter is a great time to explore the outdoors for animal tracks. Learn what they are, how to identify them and hike around the Center to find out who lives nearby.

Tuesday, February 19 (ages 4-9): Winterscapes

Use nature to inspire and create artistic winterscapes from natural items we collect on our winter walk.

Tuesday, February 26 (ages 4-9): Snowed In? Let's Cook!

Join us in making a special treat for those snowy days of winter. We will also explore the outdoors to investigate what animals are eating for their winter treats.

Time: 4:00-5:00pm

Cost: \$8 per student/ program

Location: The Green Center, 8025 Blackberry Ave, St. Louis, MO 63130

Payment must be received in advance of the registered class.

Pre-registration is required for each program!

Programs will occur indoors & outdoors. Please dress children appropriately for the weather.

To register for a class, contact:
Kathleen at 314-725-8314 X 105 or
