

NEW Half-Day Summer Camps in June at The Green Center!

Spend the **morning** connecting to nature by joining us for adventures in our outdoor classrooms in June! These 3-day programs will include a new theme each day. These themes will have your child learning about our different Missouri ecosystems in "*Habitat Detectives*," investigating what is growing in our summer gardens and getting to plant their own mini garden in "*Watch Me Grow*" and discovering how to use all of their senses when they are outside in "*Sensational Explorer*."

Session 1: June 15, 16 and 17

Ages: *8-13 years old

Time: 9am-Noon

Cost: \$50 per student

Session 2: June 22, 23 and 24

Ages: *6 and 7 years old

Time: 9am-Noon

Cost: \$50 per student

In implementing CDC guidelines, we will and continue to:

- Promote healthy hygiene practices such as hand washing and TGC program staff will wear face masks.
- Clean and disinfect all areas on a regular basis.
- Keep our group size small and have activities that limit the sharing of materials.
- Encourage prompt drop off/pick up of students.
- Ask that anyone not feeling well and/or has a temperature not attend the program.

Register by June 8th. Space is limited to ONLY 8 students each week!

**To register your child, or if you have any questions, email
Kathleen at: classes@thegreencenter.org!**
